Brilliant Book Reviewer To Open Program Year at Woman's Club

Fanny MacEnroe, brilliant book-reviewer, will open the program year of the Arcadia Woman's club on Wednesday, at 1:45 p. m., in the clubhouse, where she will give a series of short reviews of current books of budding humor and friendly charm. Mrs. Charles Ganther, president, will officiate. The regular luncheon will be served at 11:30 a. m.

The typical comment of those who have heard Mrs. MacEnroe is "Her impersonations are vivid and versatile, her moods changing and distinctive, yet her artistry is so natural she seems to people the stage with living characters."

Mrs. MacEnroe took her A. B. degree at Fargo college, did graduate work at Emerson College of Oratory in Boston, studied for her master's degree at Northwestern university. She has taught dramatics in colleges, is a writer, a director of plays and pageants, has appeared successfully in radio and on the professional stage, and is well known throughout the nation for her platform magnetism.

This will be a return engagement for Mrs. MacEnroe to the Woman's club of Arcadia. She appeared before the members in 1947 when the program chairman at that time, Mrs. Albert H. Green, wrote glowing post-notice on her popular reception.

"Eight of us on the program committee," said Mrs. John T. Simpson, program chairman for the coming year, "attended the preview by Mrs. MacEnroe and all were unanimous in wanting to book her. In fact, she made such an impression on me that I found myself quoting some of her witty truisms from time to time in my own conversations."

Club members planning to attend the luncheon Wednesday should make their reservations by tonight with Mrs. Jennie B. Davis, DOuglas 7-1308, or Mrs. James E. Cooke, DOuglas 7-3758.

EMILY RUSSELL TO SING AT WOMAN'S CLUB

Members of the Woman's club of Arcadia are looking forward with delight to the afternoon entertainment scheduled for Wednesday at 1:45 p. m. when Emily Russell, folk song and ballad singer extraordinaire presents a program in costume of the melodies of many lands.

Miss Russell has sung in light opera, television, church and on the radio as well as before several hundred women's clubs in the Southland. Her voice has the full-blown quality of rich mellowness that effortlessly scales from the lowest to the highest note. She has an intimate approach that makes her listeners feel that she is a specially invited guest in their own drawing room.

Her selection, which she has accumulated through personal research, includes unusual and little known songs and the more familiar songs of the lives and loves of other people. Aside from her voice, Miss Russell is lovely to look at and her theme song "Top o' the Mornin' to You," makes her audiences really believe that it is a good morning and the top of the morning to all.

Mrs. Charles Ganther will preside at the luncheon meeting and the afternoon session will be introduced by the program committee, headed by Mrs. John T. Simpson.

Members wishing to attend the luncheon must make reservations by tonight with Mrs. Jennie B. Davis, DOuglas 7-1308, or Mrs. James E. Cook, DOuglas 7-3758.

Costume Specialist to Give Theory Of Charm and Dress at Woman's Club

Evening division of the Woman's club of Arcadia will present the program for Wednesday's luncheon meeting to be held Wednesday at 11:30 a. m. in the clubhouse.

Mrs. Ruth Page Rockwood will give a piano recital during the luncheon hour. Born in Swatow, China, she attended school in Shanghai, coming to the US when she was a young girl. She was dean of the San Joaquin Valley chapter of the American Guild of Organists and has been teaching in this area for three years and is now connected with the Arcadia Music Mart as a teacher.

On the afternoon program will be Miss Belle Northrup, BS and MA of the Teacher's college, Columbia university, New York, who will give a lecture on "The Yang and Yin of Charm and Clothes."

Miss Northrup is a costume specialist and has had wide experience in lecturing, broadcasting and teaching for various institutions and women's organizations, among which are the Metropolitan Museum of Art in New York city; the University of Texas at Austin, and UCLA.

As a recipient of the Macy scholarship for study abroad, she did research in arts and crafts of costumes in Paris and interviewed leading members of the Haute Couture, including Vionnet, Lanvin, Worth and Schiaparelli. Miss Northrup has come to California to live, lecture and write. She is author

of a book on costume art soon to be brought out by McGraw-Hill Book company. In her Yang-Yin theory, Miss Northrup demonstrates with portraits of women, masks of personality types, and textiles from her own fine collection and current fashions. In a brief audience-clinic following her lecture, women are told by Miss Northrup to which type they belong, what is right or wrong with the ensembles they wear, and the lines and colors which will bring out their natural charm and individuality.

Woman's Club Country Fair Draws Crowds

Hallowe'en was much in evidence last week at the Arcadia Woman's clubhouse when the annual country fair was put on by the ways and means committee. The stage, a work of art, depicted a farmyard, complete with the farmer, a cow, pigs and lambs, and the traditional pumpkins, squash and cornstalks. It was the work of the evening division and their contribution to the fair.

A ham dinner was served in the evening by members of the music and drama departments and during the day, members of different departments sold a variety of articles at booths. The history and landmarks had a baked food booth with Mrs. J. H. Sullivan in charge. Left to right, Mrs. Charles Crellin wearing that belonged to her mother when she was a nurse during the Civil War, the bonnet is more years old, and the handbag, similar to today's, came to California in 1900. Mrs. John Renshaw and J. H. Sullivan made their gowns. Mrs. Bertha Nichols is wearing the dress of a friend's grandmother and in the rocking chair, reminiscent of Whistler's Mother, is Mrs. Lucy Wyss, wearing her dress and the lace collar that belonged to her great-great-grandmother. Luncheon Meeting of Woman's Club to Feature 'Covered Wagon Days'

Gold Rush days of old California will live again at the Arcadia Woman's clubhouse, when the history and landmarks department will hostess to members and their guests at the regular meeting on Wednesday, Mrs. J. H. Sullivan, chairman, stated that many members of the department will carry out the theme in their costumes and she expresses the hope that any club member who wishes to dress in fashions of that period will do so.

Luncheon will be served at 1:30 p. m. with Mr. John T. Spence, program chairman, introducing the afternoon program at 2 p. m. A dramatization will be given of the Gold Rush days based on that period in history when thousands of people were migrating to California to stake out claims and seek their fortunes. The days of the covered wagon will be brought vividly to life when Miss Gene Snively of Los Angeles impersonates her own great-grandmother, Belinda Pickett. She reads in the journal which she wrote in 1854 while crossing the plains to California in a covered wagon. Included in the play will be the song of a century ago to be sung by the Pioneer Ladies trio, the Soprano, Soprano, Marion, Soprano, and Irma Jackson, contralto. Benjie F. Snively, accompanist. These entertainers are highly recommended by the old War service groups, The Ladies Travel club and church organizations.

Mrs. Charles Ganther will preside at the luncheon and officers of hostess department will be seated at the head table. Mrs. W. L. Goldie, president of the Native Daughters of the Golden West, San Gabriel Parlor 281, will be the luncheon speaker.

Members wishing to attend the luncheon are asked to make reservations by tonight with Mrs. Jennie Davis, Douglas 7-1308 or Mrs. James E. Cook, Douglas 7-3758.

Advantages of High School for Arcadia Told Clubwomen by Mrs. Edward Heiss

Mrs. Edward Heiss presented both sides of the high school question Wednesday at the luncheon meeting of the Arcadia Women's club. She told of the overcrowded conditions of Montevia-Arcadia-Duarte high school and asked the members to be moved from a unified school district in Arcadia. Mrs. Heiss reminded her listeners that it would be necessary for Arcadians to bond themselves for new school buildings whether they formed their own district or not. And she stated that it would be cheaper for Arcadia to form its own district with more to show for the money.

Mrs. Charles Ganther, president, presided in a tall outfit and wearing a lovely corsage, presented with charm. Mrs. Harlan Linnell, executive chairman, read an appropriate article by Elmer Johnson, "Lift Up Your Chin." Luncheon tables were decorated with cups, anthems, tall bulbs and small covered wagons by Mrs. Robert Lane and Mrs. John Vandenberg. The covered wagons were made in style of the club-sponsored Camp City troop and presented to the history and landmarks department. They were designed by Mrs. W. C. Meyer.

Seated at the head table with the president were Misses, Richard Straub, John Vandenberg, Robert Lane, John Simpson, Kenneth Lehigh, J. H. Sullivan, John Renshaw, Bertha Nichols, Lucy Wyss, Fred Ganther and I. W. Goldie, guest speaker. Guests introduced were Misses Carl Turner, Frank Paula, Emma Ott, Watson, Ray Ridenour, James Shepherd, Hugh Stephen, and W. C. Meyer.

Serving a delicious baked bean and brown bread luncheon were Mrs. Henry Rios, chairman, and Misses Allen Brabham, Rose Angstunger, James Barriman and Gregory Chase.

The program, which was in charge of the history and landmarks department, was outstanding with officers of the department dressed in costumes of the Forts Ninety. The stage was an authentic reproduction of a park of that era with a spinning wheel, what-not stand, and center table covered with a beautiful hand made lace cloth and holding the family Bible.

Mrs. Spence, chairman of the department, introduced Mrs. Renshaw, program chairman of the department, who gave a brief history of the Native Daughters organization. "It was organized," she said, "in 1890 in Jackson, Mississippi with 16 members who met in the parlors of their homes."

During the meeting, Mrs. Ganther, executive chairman, presented at the San Gabriel chapter. She gave an interesting talk on the women's movement in the state, was honored and to be the highest school ancient ancestry dates back to when it was the first day that there was a woman's movement. The speaker stated that it is represented by each one and one in a living organism.

Following intermission, the afternoon program was introduced by Mrs. Sullivan. Much appreciation by the audience was the costume show of the gold rush days of old California, a dramatization which took one back to the period in history when thousands of people were migrating to California to stake out claims and seek their fortunes. Mrs. Snively impersonated her own great-grandmother, Belinda Pickett, and read from the diary which she kept while crossing the plains to California in a covered wagon. Included in the play were the songs of a century ago to be sung by the Pioneer Ladies trio, the Soprano, Soprano, Marion, Soprano, and Irma Jackson, contralto. Benjie F. Snively, accompanist. These entertainers are highly recommended by the old War service groups, The Ladies Travel club and church organizations.

STRAWBERRY PIE

The easiest pie of all to prepare is one with a graham cracker crust, a filling of sliced sweetened strawberries, and a topping of whip cream. Save some of the strawberries for garnish.

Outstanding Yuletide Program To Be Given at Woman's Club of Arcadia

All the glamour that is New York's Broadway will be combined in the sophisticated, hilarious, entirely different Lords' Puppet review for adults to be shown at the Woman's club of Arcadia, Wednesday afternoon following a luncheon yuletide program presided over by Mrs. Charles Ganther, president.

Lord's Puppets are internationally famous and boast of quotes from famous celebrities, including Eleanor Powell, who says the dances are terrific, and Gregory Peck's reaction, "the greatest I've ever seen."

The marionette orchestra renders overtures: a Dutch holiday glows in the dark; ice-skating teams acrobat amid swirling snow; a gay carnival in Venice with gondolas, confetti, and fireworks, are but a few of the many scenes.

Particularly uproarious is Lord's satire on grand opera, while a more serious note is struck when Edwin Booth lives as Hamlet, and Mozart plays on the spinet. Daniel Llords, the young impresario, has been featured in 23 motion pictures and has appeared on many radio shows as well as television.

Last year the program committee tried unsuccessfully to book this show and Chairman Mrs. Bruce McAberry's one word of counsel to Mrs. John T. Simpson, this year's program chairman, was, "Be sure to book the Lords' Puppets. They're terrific."

Members wishing luncheon reservations should call Mrs. Jennie Davis, DOuglas 7-1308 or Mrs. J. E. Cooke, DOuglas 7-3758 by tonight.

Works of the Masters Played For
Members of the Woman's Club

Music lovers were given a special treat Wednesday at the regular meeting of the Woman's Club of Arcadia when Marco Wolff Jr. performed the works of the masters.

Mrs. Charles Ganther, gowned in an attractive suit of a burnt red shade with a small hat and wearing a camellia corsage, presided with charming informality. In the absence of Mrs. Harlan Lucall, devotional chairman, Mrs. Ganther led the assembly in the "Lord's Prayer."

Reports were given by Mrs. Elmer Sieb, secretary, and Mrs. John Simpson, who read the treasury report. Mrs. John Renshaw reported on a visit to Juvenile hall. Mrs. Ivan Timmons on the rummage sale to be given Jan. 25 and 26 as a ways and means project. Mrs. William Gibbs, chairman of the evening division, stated that three carloads of toys had been taken by that department to McLaren hall. Included were Toni permanents, which were received with joy by the girls. Mrs. Isabell Satterthwaite, chairman of the new art department, announced that group will meet Tuesday morning at 10.

Mrs. C. M. Moody, philanthropic chairman, reported that special Christmas projects of the club included gifts of money to 16 patients at the Sawtelle Veterans hospital, money to Rancho Los Amigos, money to the Arcadia Welfare and Thrift shop, a special gift to Jackie Thralls, a member of the junior club who is in an arm lug at Rancho Los Amigos, and seven dolls to Juvenile hall. She stated that from 15 boxes, \$122 had been obtained for the Christmas Seals. Mrs. Moody reported the regular contributions are to the Red Cross, Community Chest, Sister Kenny Polio Foundation, Cancer fund, and the March of Dimes. Mrs. Ray Allen Young stated that another big social evening was planned for Jan. 20 and asked members to keep the date.

Mrs. Ganther introduced guests at the head table. Misses Harold Slater, William LaRocque, Herman Kambletz, Harvey Moss Sr., Archie Wilson, Sieh, Simpson, Satterthwaite, D. de Gero, Carl Turner, Herbert Braun, William McArthur and Earl Phelps.

'Law and Women,'
Discussed by
Florence Boller

"Where's there's a will there's a probate," jokingly stated Mrs. Ardene (Florence) Boller when she addressed members of the Woman's club of Arcadia last week at the afternoon program. Mrs. Boller, attorney and prominent in Arcadia social and civic life, was introduced by Mrs. John T. Simpson, program chairman.

Mrs. Boller went on to explain that "Where there is no will the attorney still gets a probate fee and a will might have saved the cost of an administrator's bond by appointing an executor to serve without pay. The speaker discussed inheritance and gift taxes, illustrating the mistakes one can make if acting upon incorrect or insufficient information.

Woman's Club Again to Sponsor Yule Seal Sale

The Women's club of Arcadia will again sponsor the sale of Christmas seals for the County Tubercular and Health association under the direction of the philanthropy committee.

The seals, contained in self-sealer boxes, will be placed in the post office, banks and stores on Dec. 4. The philanthropy committee consists of Mrs. C. M. Moody, chairman, and Misses John Renshaw, Willenberg, Bruce McAbney, E. V. McGee, Ernest Fuerst and Philip Laffey.

Comedy Slated For Program Of Woman's Club

Comedy will be the order of the day at the Woman's club of Arcadia Wednesday afternoon when Franklin Lacey, internationally known American monologist, will offer "A Laugh a Minute."

Mrs. Ralph Hankins, member of the program committee, states that this will be one of the most helpful programs of the year because there is nothing that gives quicker temporary relief from the stress and strain of international worries than good hearty laughter.

Although a young man, Lacey has appeared in 2500 performances before Women's clubs and Town Halls throughout the United States and has been presented in England, Switzerland and Germany. He is clever in his portrayals dealing with human foibles, and originates his own lines which create complete and memorable personalities.

Mrs. Charles Ganther, president, will officiate over the afternoon program which will be introduced by Mrs. John T. Simpson, program chairman. Luncheon reservations must be made by tonight. Call Mrs. Jennie B. Davis, DOuglas 7-1308, or Mrs. James E. Cooke, DOuglas 7-3758.

The same proportion applied to the carnival by the coast, which saw the largest crowd ever, making the biggest event in the history of the festival. Record crowds continued their participation later in the evening at the costume ball at the Turi Club, with top attendance figures recorded for both square dancing and ballroom dancing.

The story of the festival is told throughout the Tribune today in pictures—and in the following complete prize results:

Dear Mrs. Ganther:

What would you do, and what would you give, to know that you and your loved ones could be permanently protected from dreaded poliomyelitis? What would you sacrifice to give proper medical and surgical care to those already stricken? Here are salient facts:

1. Los Angeles County needs a minimum of one and a half million dollars for medical treatment care alone.
2. The Poliomyelitis Emergency Epidemic Fund is wiped out, both nationally and locally.
3. Hospitals in Los Angeles County have had to extend credit to the Los Angeles County Chapter for care of polio patients until February 1st.
4. As of today, 108 patients are in iron lungs in Los Angeles County alone.
5. Millions more are also needed for continued research for a preventive vaccine which scientists tell us, can be developed in the foreseeable future.

You can see at a glance the grave emergency we face because of this situation.

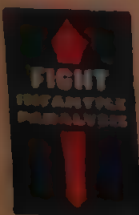

The March of Dimes which is the fund-raising activity takes place from January 15th to 31st, 1951. Please bring this before your membership and not only urge especially generous individual gifts, but if your by-laws permit, approval of a substantial treasury gift, or suggest a benefit, for the March of Dimes. We must not let these unfortunates down.

We hope you will request a speaker who will respect your timetable and for your convenience in making the request a card is enclosed. With Greetings of the Season,

Sincerely,

Commentator Discusses MacArthur, Far Eastern Policy at Woman's Club

Kent Roberts, noted correspondent and lecturer, speaking at the Woman's club of Arcadia on the same day that Gen. Douglas MacArthur was being honored in San Francisco, stated that he would deviate from the role of correspondent to bring his personal views of the general, of whom he is a great admirer. His topic, "The World Is Watching Us," was augmented with "The World Is Watching General MacArthur." Roberts was introduced by Mrs. John T. Simpson, program chairman and newly elected first vice-president.

Roberts stated that MacArthur was a fine figure of a man who has served his country well and has done the biggest administrative job in the world in reshaping Japan. He is the one man in the world who was eminently qualified to do the job, his aloof personality appealed to the Japanese, who showed him a degree of devotion similar to that given to the emperor. "It is healthy for us that Gen. MacArthur is not a politician and that the principle which guides him is that of 'God Bless America'."

Roberts said "The general is one of the most disarmingly gracious men I have ever interviewed and one of the best informed. This is one of the most dramatic moments in history," the speaker said. "And his speech in Congress will be of historic importance."

Roberts said, "It would be the greatest tragedy if we stepped into the quicksands of China. No nation will ever conquer China, but the Oriental respects firm attitudes and takes advantage of appeasement. We can never match Russia in manpower. We must do it in superior weapons and production, and unity and faith in God and the principles upon which our country was founded."

His talk was followed by a question-and-answer period.

Throughout his talk, Roberts stressed the need of unity and of calm reasoning of the great issue facing our nation and the free world. He analyzed the situation without rancor, citing the fact that MacArthur's hands were tied behind his back with many people dictating his actions: the president, state department, joint chiefs of staff and the United Nations. Roberts said, "We have 90 per cent of the armed forces engaged in action, 92 per cent of the casualties and outnumbered by 400 per cent, and with no fixed policy." He brought out the ironic facts that we are fighting our former allies joined with our former enemies; Britain recognizes the Chinese Communists so we can't use the Chinese Nationalists; in fact, we keep everyone happy but ourselves. The British government, he stated, is one of expediency and its destiny is to build up the Socialist government at home before taking care of international relations.

Spies are receiving minimum sentences, Harry Bridges is free as he wishes, and 50,000 are Communists in the U.S., 12,000 of whom are dangerous. The Korean question, he stated, is not a Korean question, as many Democrats want it removed from office.

Woman's Club Okays School Tax Reinstatement

The Woman's Club of Arcadia late last week endorsed the reinstatement of the 40-cent Arcadia elementary school override tax for the remaining seven years of the original 10-year plan. This measure will be voted upon May 18.

Mrs. John T. Simpson, newly elected first vice-president, moved for the endorsement at the regular meeting on May 2. She stated that the club was dedicated in part to work of a civic nature and interest in welfare work for youth. The motion was unanimously adopted by the membership.

The current 10-year override tax, in effect for the past three years, will be automatically canceled on July 1, with the legal formation of the unified school district, and needs to be re-endorsed for the remaining seven years.

Drama Section Gives 'Thriller' At Woman's Club

A tense, interested audience watched the one-act dramatic play "The Necklace Is Mine," which was presented by the drama department of the Woman's club of Arcadia at the regular luncheon meeting May 2.

The excellent cast consisted of Mrs. Ray Allen Young, Mrs. John P. Ross, Mrs. Fred Gamroth, Mrs. William Sorenson and Mrs. William Braun. Having small parts were Mrs. Richard Hilf, Mrs. Albert Green and Mrs. Bertha Nichols.

Mrs. Young gave an excellent portrayal of a highly nervous woman keyed to the point of stealing a valuable necklace from her sister-in-law, to gain the love of a ne'er-do-well. Mrs. Ross, as the sister-in-law, also did a fine job. The comedy note was supplied by Mrs. Gamroth, who is also chairman of the drama department. Mrs. E. J. Frentress directed the play, and Mrs. Jack Turner assisted in technical details.

Mrs. Charles Ganther, retiring president of the club, welcomed members and guests. She was charmingly attired in a blue dress and a tiny straw hat with blue trim.

During the business meeting reports were given on convention and it was announced that Mrs. Ganther had been seated with the 100 per cent presidents. It was voted to give the remainder of the philanthropy funds to buy a radio for Purple Heart veterans. Upon a motion made by Mrs. John T. Simpson, the club endorsed the 40-cent Arcadia elementary school override tax.

Mrs. B. F. Warner, a member of the State Board of Social Welfare, was luncheon speaker and spoke of the value of federation. Members of the Junior club were welcomed, and 41 new members seated at one table were introduced by membership chairman, Mrs. Horace Self. Mrs. Jean Timmons and Mrs. B. E. Turner were co-hostesses for the delicious luncheon.

DFWC Convention Hears MacArthur's Broadcast

BY NORMA H. GOODHUE

LONG BEACH, April 19—

Delegates to the Los Angeles District Federation of Women's Clubs had an added feature of their convention program today—listening to Gen. MacArthur's address to Congress. A radio loud-speaker brought the general's words to them before they settled down to their program.

Henry B. Hall, executive secretary of the Narcotic Educational Foundation, was speaker at the morning session. And Mrs. Alan W. Young, first vice-president, introduced eight club presidents in a symposium.

Juvenile Arrests Increase

Mr. Hall reported the number of Los Angeles juveniles arrested on dope charges last year represented nearly a 50% increase over the year before.

To lessen the dangers of narcotics, Mr. Hall recommended a war on three fronts—legislative, enforcement and educational. "Most of the drugs come from foreign countries, many of them unfriendly to the United States," he said.

"America may very well be headed for the same fate which befell China where dope was used to drug the youth of China and make way for the Japanese army." He reported these statements are from official findings of governmental investigative agencies.

Education Needed

He urged an institution for experimental and treatment purposes, stricter law enforcement, more severe sentences and education through schools and churches.

Mrs. Claude M. Sneden of the beach city conducted the three-day program. Mrs. Young, who will be her successor in office,

was the only candidate for president in the election today.

Hester Scott, former newspaperwoman, spoke at the banquet tonight on her observations in South America. She said the lack of initiative on the part of the United States against Communism in the years since World War II has cost us serious loss of prestige.

"Our vacillation in foreign policy, the weakness of our defensive position before Communist lies, has caused the Latin Americans to lose faith in our leadership," she concluded.

Tomorrow's speakers will be Dr. Harry F. Dietrich of the staff of the Childrens Hospital in Los Angeles and Dr. Arthur F. Corey of San Francisco, executive director of the California Teachers Association.

MRS. ALAN W. YOUNG was unopposed yesterday as candidate for president of Los Angeles District FWC and will be installed today.

GFWC Chief to Talk at State Convention

Greater Recognition for Women Urged by Mrs. Hiram C. Houghton

BY BESS M. WILSON, Club Editor

"I am sick of having women's committees appointed to carry on work after the decisions have been made by men." This is one of the statements made by Mrs. Hiram Cole Houghton, president of the General Federation of Women's Clubs, who will be a guest in California this week. The sentence was taken from a magazine article written by Mrs. Houghton.

The national leader of 10,000,000 club women will be among guests at the convention of the California Federation of Women's Clubs at Hotel del Coronado. The convention opens tomorrow with the annual meeting of trustees and will continue through Thursday. Mrs. Houghton will speak and will also be a consultant.

Men's Mistakes Hit

The article in which Mrs. Houghton expresses her conviction that women citizens must work WITH men, instead of cleaning up after men have made the mistakes, is loaded with pertinent and pregnant statements.

"I am sick to death of the words 'equal rights,'" she wrote. "The world will not stand by while we chatter about them any longer." She expands realistically and in words of one syllable, her firm belief that women are not permitted an equal responsibility for our country's welfare and that this must be corrected.

Laws Scrutinized

"I used to be timid about laws passed in Congress," she says. "Now I'm not. If I don't get them, can't see what they are supposed to do and why they were passed, then I know there is something wrong with them." And her analysis back of that thought is well worth reading by all thinking women.

Speed is Wasteful

As everyone who has followed the work of the General Federation knows, its members are often called upon to act quickly on some public project needing support. Mrs. Houghton finds

Delegates Return From Convention

Mrs. Charles Ganther, retiring president of the Woman's Club of Arcadia, and newly elected president, Mrs. Bruce McAbery, returned to Arcadia last week after a week spent in Houston, Tex., as delegates to the General Federation of Women's clubs' national convention.

The Arcadians attended the morning, afternoon and evening sessions and brought back to the local club many worthwhile thoughts. Among the speakers were the Hon. Nelson Rockefeller, chairman of the International Advisory board; the Hon. Mallard F. Caldwell Jr., administrator of federal civilian defense; and the Hon. Perle Mesta, American minister to Luxembourg.

The convention was held in the illustrious Emerald hotel and among the evening affairs attended by the Arcadians was the international night banquet. Mrs. Hiram Cole Houghton, general federation president, officiated at the convention, theme of which was "A New Birth of Freedom." Another highlight was the cowboy breakfast which was served on the terrace of the Emerald hotel. Besides attending all sessions of convention, Mrs. Ganther and Mrs. McAbery took in the sights. They rented a car, which Mrs. McAbery drove, and went sightseeing in Houston and down to Galveston on the Gulf.

Mrs. Ganther Closes Year As President

Mrs. Charles Ganther, retiring president of the Woman's club of Arcadia, will preside at her final board meeting of the year today in the clubhouse.

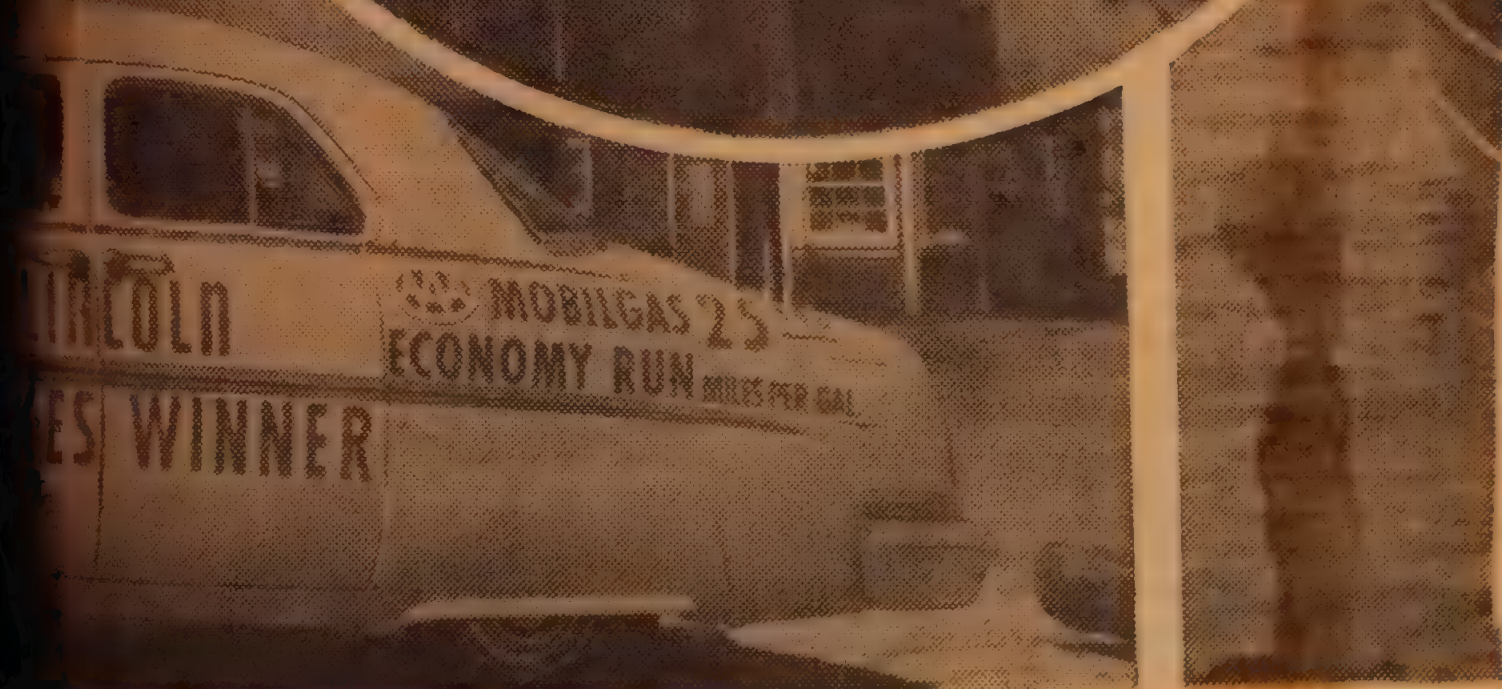

In an interview, Mrs. Ganther spoke enthusiastically of the happiness she had received during her office as president of the cooperation of her officers and of the support of the membership.

In reviewing the accomplishments of the year, Mrs. Ganther stated that \$1200 had been spent in permanent improvements to the building and in saving items; there was an increase in membership and a maximum amount of rentals.

A highlight of the year was joining the county federation of women's clubs, making the Arcadia club 100 per cent federated. Another highlight was the winning of the sweepstakes award in the Peach Blossom festival parade with the float, "Memory Lane." Members of the club acted as hostesses when the chest mobile unit was in Arcadia. Eight members, headed by Mrs. Ganther, poured during the arboretum art exhibit tea. Civic officials were entertained at luncheon and an outstanding white Christmas was presented. Mrs. Ganther stated that she had greatly enjoyed working with the junior club, who met for the first time in the clubhouse for their regular meetings.

During her 15 years as a member of the Arcadia Woman's club, Mrs. Ganther has held many offices. She has served on the board, was chairman of the garden department for two years, and during her last year the garden department was in charge of the float which won first prize in the Peach Blossom parade. She served eight years on the membership committee, five as chairman.

Another accomplishment for the club during her term of office was the sending of two delegates to national convention in Houston, Tex. Mrs. Ganther accompanied the new president, Mrs. Bruce McAbery, attended the convention. At this time she was offered the district garden chairmanship, which she declined.

Report of the Evening Division for 1950-1951

A September tea honoring the board members of both the Senior and Junior clubs of Arcadia began the second year of the Evening Division of the Woman's Club.

The first project of our year was the program which we presented to the club. The "Yang and the Yin" was presented by Mrs Belle Northrup of Columbia University, and a piano program by Mrs. Ruth Rockwood. Following the Chinese theme we decorated the tables for luncheon with flowers and figurines and tiny souvenir umbrellas for each of the club members and guests.

When country fair time rolled around it found the section members busy painting cows, chickens, pigs, and ducks which we used along with hay, corn stalks, vegetables and most anything else we could find, which was appropriate, to decorate the stage and transform it into a barnyard for the fair. Our social times were not forgotten with all this as we enjoyed our luncheon times together.

As a section we meet twice a month at the homes of our members for our business meetings. Our ways and means chairman has been busy with our sale of Christmas cards and wrappings, and with our food sale, which was held in the clubhouse. The money we made in these projects were was used for Philanthropy under the able leadership of our Philanthropy chairman. We presented about a hundred toys, which had been collected and repaired, to McLaren Hall. Part of these toys were displayed to the club at Christmas. We have sent several hundred pounds of food and clothing to families in France, and have been able to assist the families of some needy veterans in our own community.

ANNUAL REPORT OF THE GARDEN DEPT.

BY THE CHAIRMAN

I have presided at all meetings of the Garden Dept. since the beginning of the Club year last October. We have had an average attendance of thirty, bringing their own sandwiches, the hostess committee preparing coffee and occasionally dessert. A 25¢-dues is asked. 70¢ is collected from each person to defray expenses of the coffee committee. We have tried to maintain a plant table, but only at certain times of the year is this successful.

The Garden Department was asked to take the task of the Decorating Committee this year, and under the leadership of Mrs. Thelma LaRoque this has been very successfully carried out. Mrs. LaRoque, with committees of her own choosing, has thrilled us with beautiful decorations on special days, some of which I recall as: Camellia Day, Birthday and Peach Blossom Day.

On October 13 we were hosts to the Club and the community at a flower show. Mrs. Estelle Messenger was general chairman and a lovely show it was, in spite of an exceedingly warm day.

Also in October on Country Fair Day the Department was on hand with their booth filled with plants. Bulbs, flowers, in fact everything for the garden was on sale.

On March 7 the Department was in charge of the day. It was an outstanding Club day, we think. A lovely style show was presented by the Town and Country shop of West Arcadia with seven of our own women as models. Garden and patio clothes were shown, with beautiful cottons taking the spotlight. The speaker of the afternoon was Mr. Gordon Baker Lloyd, famous garden authority, author and television star.

On the whole our programs under the chairman, Mrs. Steffie Hand, have been varied and interesting. Some I recall as particularly good were: October at Oakhurst

Mrs. Charles F. Ganther, President
The Woman's Club of Arcadia
2045 South Sixth
Arcadia, California

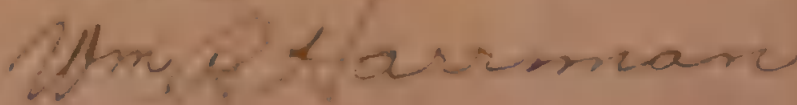

Dear Mrs. Ganther:

Gaiety and mirth are not generally associated with a hospital, but as I walked onto our many wards during the Holiday Season, I saw smiles on weary faces and heard the ring of merry laughter on the Children's Wards. The spirit of Christmas was truly present at the Rancho. There were friendly visits to the bedridden, gaily wrapped gifts, and the lovely songs of carolers.

We realize that were it not for the goodwill and friendly feeling of folks like you, our patients would not have been privileged to enjoy much of the happiness which has been theirs this year.

As an expression of our genuine appreciation of your thoughtfulness and generosity, we extend to you our sincere wishes for a New Year rich in good things for you and all those dear to you.

Sincerely,

WILLIAM R. HARRIMAN, Director

Mrs. Edgar Hawkins to Entertain Evening Division of Woman's Club

Evening division of the Woman's club of Arcadia will hold its next meeting at the home of Mrs. Edgar V. Hawkins, 301 San Luis Rey road, on Dec. 11, at 8 p. m. The group holds regular meetings every second and fourth Monday nights at the homes of members.

Prior to opening of the current club year, members of the evening division gave a tea at the home of Mrs. Russell Lucas, 831 San Vicente

road and members of the executive board of the senior Woman's club and members of the Junior Woman's club as well as those interested in becoming members were invited guests. Five new members to become active in the evening division are Mrs. Robert Johnson, Mrs. David V. Teich, Mrs. Robert Titgemeyer, Mrs. Carl E. Foley and Mrs. Edgar V. Hawkins.

The first business meeting was held at the home of Mrs. A. W. Anger in Alhambra and succeeding meetings were held at the homes of Mrs. A. M. Collins, 326 Santa Cruz road; Mrs. Ted Ford, 209 Santa Cruz road, and at the president's home in Pasadena.

The evening division assisted with the annual country fair of the club by decorating the stage of the clubhouse in the Halloween and fall theme. The clever arrangement was a barnyard with animals, scarecrow farmer, corn husks, pumpkins, fall leaves and vegetables. The evening division had charge of the program at the Nov. 1 meeting of the senior club and presented Mrs. Ruth Pag Rockwood, who gave a piano recital and Miss Belle Northrup, costume specialist, who presented her theory of charm and dress.

Members of this division work all year on their chief project, that of repairing and painting old toys and presenting them at Christmas time to the children at MacLaren hall. These toys will be on display at the Dec. 11 meeting of the senior club. Mrs. Gibbs has asked that if any members have discarded toys to please contact her at SYcamore 6-3863 and they will be picked up.

The group has been sending clothes and food to France to families, who are known to the group and who are in need. Christmas packages, 320 pounds in all, were recently mailed to eight families whose husbands and fathers were killed or injured in World War II.

Terry is now employed by Laura Clarke's Patio Knit shop in West Arcadia.

Concert Pianist To Perform At Woman's Club

The masters in the movies will come to life on the stage of the Woman's club of Arcadia Wednesday when Marco Wolff Jr., talented young concert pianist of Hollywood Bowl fame, presents the afternoon program at 1:45, with Mrs. Charles Ganther, president, officiating.

Not only will Wolff perform celebrated works of the masters, but he will also discuss how their compositions were used to create emotional moods for dramatic action on the screen. Often compositions are used as themes for entire motion pictures while others simply place an audience in a receptive mood for individual scenes which may be romantic, suspenseful, adventurous, and generally run the gamut of human emotions, and Wolff will give unique demonstrations to illustrate such usage.

Music lovers of the classics will thoroughly enjoy his artistry. Mrs. J. Victor Covell, program committee member, points out in quoting Iturbi, internationally famous star: "You could count on the fingers of one hand the pianists in the world who can equal Marco Wolff's playing of Liszt's Hungarian Fantasia."

Members desiring luncheon reservations should call Mrs. James E. Cooke, DOuglas 7-3768, or Mrs. Jennie B. Davis, DOuglas 7-1308.

Juniors Make Final Plans For Spring Ball

Mrs. Teddy Zima, program chairman of the Junior Woman's club of Arcadia, announces that final plans have been made for the annual spring benefit dance to be held May 5 from 9 p. m. to 1 a. m. in the ballroom of the Huntington hotel.

During intermission, a dance exhibition program will be given by Miss Doris Parsons and Jack Hudson of the Pasadena Arthur Murray School of Dancing. Music for the ballroom dancing will be provided by seven-piece band "Rhythmatics." Besides the vocal soloist with the band, Mrs. Naujean Robertson of Arcadia will be special vocalist.

Mrs. Marjorie Brown, ways and means chairman, stated that among the many door prizes will be a Sunbeam coffee maker and a brass TV lamp. Tickets are now on sale and donation is \$2.50 a couple. Call DOuglas 7-8476. The proceeds will be used with an additional cash donation for the district philanthropic project, which is the Sister Kenny foundation in El Monte. The proceeds will also be used for a gift for junior member, Jackie Thrall, who is in a respirator at Rancho Los Amigos.

**Mrs. Stratford
To Head Division
Of Woman's Club**

A unique installation ceremony was held by members of the evening division of the Woman's Club of Arcadia at a dinner meeting held last Thursday at the Sportman's Tavern. Bouquets of snapdragons and roses decorated the table and attractive place cards designated where each guest was to be seated.

As each member of the old board instructed the new member who took over the corresponding office, she presented her with a corsage.

Mrs. William Gibbs, outgoing chairman, instructed the new chairman, Mrs. F. B. Stratford, who in turn instructed Mrs. Edgar Hawkins as to her duties as vice-chairman; Mrs. Tod Ford, outgoing treasurer, installed Mrs. Robert Titgemeyer; and Mrs. A. W. Anger, who will serve again as secretary, installed herself. Chairmen appointed include Mrs. Robert Munro, philanthropy; Mrs. H. A. Birk, ways and means; Mrs. C. A. McElderry, publicity.

During the business meeting plans were made for a paper drive in July, and it was announced that the group would carry on its activities throughout the summer. An intermediate group of the Woman's club, the evening division meets twice a month in the homes of members. The top project of the division is to collect, repair and paint toys and after a thorough study where they are needed, present them to children. The group has a little Santa Claus (anonymous) who repairs the toys.

Other members present were
Mmes. A. Maurice, G. G. Davis,
T. J. Johnston, Bradner, Carl
Foley and Eleanor Starr.

Caroline Gauthier, President
Woman's Club of Arcadia
Arcadia, California

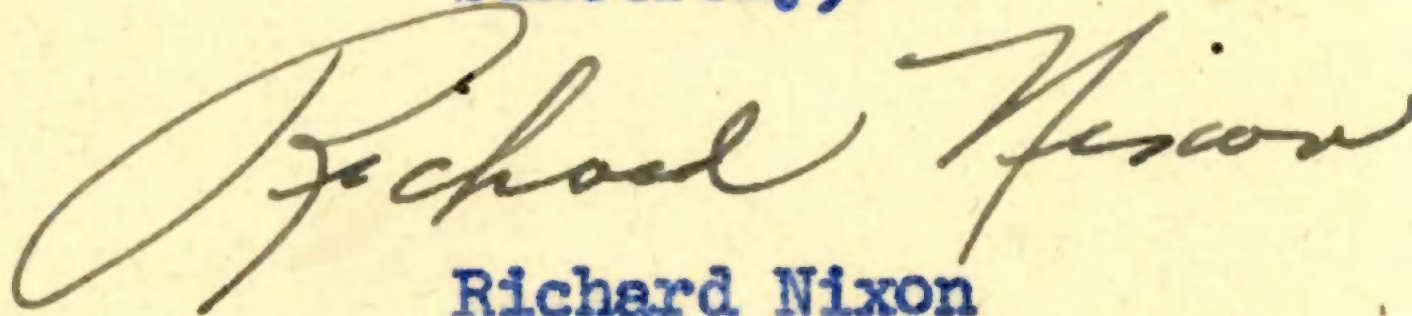

Dear Friends:

I wish to thank you for your recent letter discussing the export of food supplies to India.

As you may know, I am co-sponsor of legislation in the Senate to provide surplus grain to the famine stricken people of India and you may be sure that I am seeking prompt action in this important matter.

I appreciate your giving me the benefit of your thoughts on this subject.

Sincerely,

Richard Nixon
